THE YALE FAIR.

The business men's committee having
the matter in charge are making a
hustle to secure the best fair ever held
in our village. A sufficient amount of
money has been subscribed and our
merchants are all willing and anxious
to do anything necessary to make the
fair a success whenever the committee
directs them in the matter.

In matters of this kind everything
depends upon a plan, and then upon
the energy with which the work is
executed.

It don't do to talk merely. Work
must be done, and at the right time.
We feel sure that the gentlemen hav-
ing the matter in charge are giving
this matter personal attention.

It is found that there are a large num-
ber of farmers in the territory surround-
ing Yale who will take an interest in
making exhibits if they are looked up
and induced to do so. But it is also
found that these matters require per-
sonal attention on the part of someone.
The same is true of manufacturers,
machine men, horsemen, etc.

It is said that much of the success
attained by the managers of the Capac
fair is due to the fact that months be-
fore the fair they make personal in-
quiries for those who are liable to have
exhibits, by writing letters etc., and in-
ducing them to bring them in. They
find this is necessary as stock owners
need months of time to get their stock
in condition.

We have no doubt the committee in
charge and the directors are taking all
of these precautions and that we shall
have the best fair ever held here.

LOCAL POLITICS.

Our Post Master attended the Con-
gressional Convention at Sanilac Centre
on the 16th.

Prominent local republicans are daily
receiving "the glad hand" from would-
be county officers.

Brockway's large republican vote en-
titles her to nine delegates in the
county convention.

It is said that Snover's post masters
were very much in evidence in the San-
ilac County Convention.

Republican caucus for Brockway
township in Village Hall next Thurs-
day evening at 7:30 o'clock.

The Congressional Convention for
Sanilac County was held on the 16th.
Snover men claim all the delegates.

B. R. Noble spent last week in Cros-
well. He says that he was attending
strictly to business and that there were
no politics in it.

We suggest that the County Con-
vention turn all of the places over to the
candidates for Sheriff. There are
enough to fill them all.

Our County Convention to elect dele-
gates to the State Convention to nomi-
nate the Governor and other State of-
ficers will not be called until some time
in September.

The Democratic Peoples' Union will
ever caucus for the township of Brock-
way is called for Saturday, August 20,
1898, at 7:30 p. m., in the village hall,
Yale, to elect 3 delegates to attend the
County Convention to be held at Port
Huron, Monday, August 22.

Close observers say that Hartuff's
chances of winning out in the District
convention are excellent. It is conceded
that he will get the solid support of
St. Clair county. It is also claimed that
Huron county, Lapeer county, and Ma-
comb county will divide. These coun-
ties insist that Snover's four years of
office and \$20,000 in cash are a fair
equivalent for all he has done.

There has never been a time in twenty
years when a Congressman has had
so good an opportunity to be heard up-
on important national questions as
during the past four years. During
that time Congress has had important
discussions on the Tariff question; the
Venezuelan Boundary brought about
foreign complications and much im-
portant congressional work; the Inter-
national Arbitration Treaty absorbed
the attention of two congresses; the an-
nexation of Hawaii and the Sandwich
Islands has been under constant dis-
cussion; and the Cuban war has been a
most absorbing and important matter
for consideration. Our state papers
have contained much of what has been
done and said by Congressman Corlies,
of Detroit, Sam Smith, of Kalamazoo,
Stevenson and others, all new Con-
gressmen from this state. Mr. Snover
has voted.

OBITUARY.

In the splendid vigor of manhood
and just at the hour when life seemed
sweetest and prospects brightest, death
came and snatched asunder the tender
threads that bound to earth, Clarence
Mortimer Mulholland. About three
weeks ago while visiting at the cottage
of his parents, Rev. and Mrs. Mulhol-
land at Orion, he was taken ill and
went to Port Huron to consult with Dr.
Ney. The cause of illness was found
to be typhoid fever and he was taken
to the hospital at Sarnia, where he
could have every care. But notwith-
standing the loving care of a devoted
young wife, the able skill of attending
physicians and the kind care of gentle
nurses Clarence Mulholland was des-
tined to pass over the "great river"
and join his Maker, and at about 12:30
Sunday, August 7, gave up the strug-
gle. Mr. Mulholland was about 25
years of age. The past 3 years he had
been a professor in the Mt. Clemens
public schools, and had resigned to ac-
cept a position in the high school in
Toledo, where he expected to go in
the early part of September. His new
home seemed to be opening up for him
a new life and he was happy in the an-
ticipation of what the future had in
store for him and his wife. He was
married to Miss Ada Duffie, daughter
of Mr. and Mrs. John S. Duffie, two
years ago last June and their married
life was one continual ray of sunshine.
The deceased was a graduate of Au-
Sable high school and of Albion college,
had received the degree of bachelor
of philosophy and had taken a post
graduate course at Ann Arbor univer-
sity.

While at Albion he united with the
Presbyterian church and has since at-
tended the services of that denomina-
tion, being at one time president of
the Christian Endeavor. A beautiful
funeral service was held at Port Huron
conducted by Revs. Marvin and Bald-
win of that city and his former pastor,
Rev. W. C. Bryant, of Mt. Clemens.
Interment was at Lakeside cemetery.
Mr. and Mrs. Mulholland, of this
city, parents of the deceased, have the
sincere sympathy of the entire com-
munity in their sad bereavement.—
